Arab-Israeli conflict
[DS119.7-DS119.76]
 Here are entered works on the political and military conflicts between Arabs and Israel. Works on the general relations between Arabs and Jews are entered under Jewish-Arab relations. Works on the question of national rights in Palestine, beginning in

the late 19th and early 20th century through to the establishment of the State of Israel in 1948 are entered under Palestine question (To 1948). Works on the question of national rights in Palestine, from the establishment of the State of Israel in 1948 to the present day, are entered under Palestine question (1948-). Works on foreign relations in general between Israel and specific Arab countries are entered under Israel--Foreign relations--[country], with an additional entry under [Country]--Foreign relations--Israel, e.g., Israel--Foreign relations--Egypt; Egypt--Foreign relations--Israel.

This heading may be further subdivided by the subdivisions used under individual wars.

Astronautics (*May Subd Geog*)

[TL787-TL4050]

Here are entered general works on the scientific, technological, and engineering disciplines needed for the exploration of outer space. Works on the physics and technical details of locomotion beyond earth's atmosphere are entered under Space flight. General and technical works on manned space travel are entered under Manned space flight. Works giving accounts of events and experiences during specific manned space flights are entered under Space flights. General works on travel to the planets or to the stars are entered under Interplanetary voyages or Interstellar travel.

Authors, Exiled (*May Subd Geog*)
 Here are entered general works on authors who have left their home country due to persecution or banishment by government authority, as well as works on such authors settled in a particular place. For works on exiled authors originating from a particular place an additional subject entry is made under the heading for authors from that place, e.g. Authors, Ukrainian.
